# Powell Middle School

Title I  
Math Department

---

# Overview

Math Class Structure

Grading Policy and Components

Skill Building Tools

---

---

# Math Class Structure

## The Block

- Students will have two consecutive periods of math
  - Allows for in depth instruction and practice
  - Powell Middle School has shown great growth while utilizing the block structure
-

---

# 6th and 7th Grade Math Class Structure

## No Designated “Advanced Math” in 6th/7th Grade

- Research based
  - All students will have the ability to experience extension and remediation depending on current performance.
-

---
